MESSAGE

With reference to your letter dated 20th April 2015, it is to inform that the members of NCC of Ex-CPMFs personnel welfare Associations have gone through your proposal named ABSAY (Akhil Bhartiya Surkasha Aawas Yojna) and we are happy to record our appreciation that for the first time some company has come up with an idea of providing plots/dwellings to serving and retired personnel of CPMFs on installments basis. The CPMFs personnel, throughout their service career have to serve in terrorists/insurgents infested areas under most difficult service conditions, therefore, they are not able properly plan for their post retirement life and particularly the final dwelling place. We feel "ABSAY" will solve this problem.

Whereas we endorse your project, it is made abundantly clear that NCC supports the idea with a sole aim to provide maximum welfare to CPMFs personnel and that not a penny of theirs should be wasted out as it is hard earned money. We further lay that the decision of NCC in any matter of dispute relating to ABSAY and CPMFs personnel shall be final and abiding. The NCC shall also be monitoring agency in all matters to ensure that the CPMFs personnel are not put any kind of loss and the company shall be bound to product desired details before NCC.

It is further added that deciding final cost of plots/houses, formal approval of NCC of Ex-CPMFs shall be obtained with all specifications and the time schedule for completion of the project shall be strictly adhered to as per the prescribed specification duly approved by NCC of Ex-CPMFs.
